

Double Push Panic Button

Code: PADP2/SS/G1

Panic Button | Double Push | Grade 1 | Stainless Steel | Key

CQR manufacture two ranges of Double Push Panic Buttons, providing a discreet method of raising the notification of a potential threat, with the reduced possibility of false activation due to having two buttons for activation. The Grade 1 version of our Double Push Panic buttons is available in white and stainless steel finishes, with key reset.

Features & Benefits

- Available in White, Stainless Steel or Brass
- Latching
- Selectable for Normally Open / Normally Closed
- Indicator to show activation
